

# Letter to Elizabeth Taylor

In October of 2009, Michael told me I would see a headline on the first page of a newspaper, "Liz Taylor has 3 Months to Live." He told me a couple weeks before it came out and sure enough while I waiting in the line at the grocery store, I saw a magazine called Club Exclusive dated Oct 26<sup>th</sup>, 2009 with the headline in bold letters, "Liz Taylor has 3 months to live." It did happen exactly how Michael told me.

Next thing I know Michael was asking me to write a letter to Liz Taylor. In my mind, I asked him "how do you expect me to do this?" He was forcing me to write a letter to Liz Taylor. I said to him "Are you crazy?? She will have a heart attack because you are dead and not living anymore." He said "Don't worry about it." I told him, "I am not doing this." He said, "Yes you will!!!" He was so persistent. I asked him, "How will I find out where she lives? What are you doing? She won't know the writing in the letter is coming from you." He said "It is coming from an angel." I finally said, "Ok." He forced me to do this. How crazy is this? Writing a letter to Liz Taylor sounded ridiculous. I gave in and started writing the letter.

It was like a poem:

*Coming from an angel  
Now I appear to be carefree  
It's only to camouflage my sadness  
And honey to shield my pride  
I am trying to cover this hurt with a show of gladness  
But don't let my show convince you  
That I have been happy since you*

*Oh I need you so  
The immortality is a mystery  
It seems like painful shots and a dividing line between us  
I'm heard  
I want you to know  
Oh I miss you so*

*If I can comfort you  
Don't be afraid  
When you feel my arms on your shoulders*

*This is what he wanted me to send her. I found her address on the internet and he asked me to place an angel on the outside of the envelope as you can see pictured below. Michael loves angels and always had a lot of them in his home.*
